Case No. **3:21MJ259**

**Filed Under Seal**

**AFFIDAVIT IN SUPPORT OF  
AN APPLICATION FOR A SEARCH WARRANT**

I, **Brad M Dorman**, being first duly sworn, hereby depose and state as follows:

1. I am a United States Postal Inspector and have been since August 2017. I am presently assigned to the Cincinnati Field Office of the United States Postal Inspection Service, Pittsburgh Division, with investigative responsibility for southeast Indiana and southern Ohio. Part of my responsibility involves investigating the use of the United States Mail in the transportation of narcotics, other dangerous controlled substances, and financial proceeds from, or instrumentalities used in, the sale of such narcotics and controlled substances (hereinafter, "Drugs and/or Proceeds").
2. Based on my training and experience as a United States Postal Inspector, I have become aware that drug traffickers frequently use United States Priority Mail Express (overnight) or Priority Mail (2-3-day) to transport Drugs and/or Proceeds. Additionally, as a result of prior investigations, law enforcement training, and successful controlled-substance prosecutions involving the use of the United States Mail, I have learned of certain common characteristics and/or circumstances that indicate that a package may contain Drugs and/or Proceeds. These circumstances and/or characteristics include, but are not necessarily limited to, the following: the mailer uses different post offices on the same day to send packages, the return address is false or non-existent, the addressee is not known to receive mail at the listed delivery address, the

package is heavily taped, the package is mailed from a known drug source location, the labeling information contains misspellings, the label contains an illegible waiver signature, unusual odors emanate from the package, and the listed address is located in an area of known or suspected drug activity.

3. On July 15, 2021, I intercepted a package (hereinafter “the Package”) at the Cincinnati Network Distribution Center (NDC). The Package is a Priority Mail large flat rate box, bearing tracking number 9505515069871194805178, postmarked July 13, 2021, with the following address information:

**Sender:** Wholesale Drones and More  
20131 SW Cypress St  
Newport Beach, CA 92660

**Addressee:** Sarah Cota  
2184 Shadowood Circle  
Bellbrook, OH 45305

Through training and experience as a Postal Inspector, I know that Southern California is known drug source location.

4. I performed a check in CLEAR database for the addressee’s information on the Package of “Sarah Cota, 2184 Shadowood Circle, Bellbrook, OH 45305.” CLEAR is a law enforcement database that is used as a tool for investigators to identify person/business and address information. According to CLEAR, there is no “Sarah Cota” associated with 2184 Shadowood Circle, Bellbrook, OH 45305.

5. I also performed a check in CLEAR for the sender’s information listed on the Package of “Wholesale Drones and More, 20131 SW Cypress St, Newport Beach, CA 92660.” According to CLEAR, there is no “Wholesale Drones and More” associated with 20131 SW Cypress St, Newport Beach, CA 92660.

6. On July 15, 2021, at my request, Dayton Police Department Officer Jeremy Stewart conducted a narcotics-detection canine “free air” check of the outside of the Package. I was present during said check. Prior to conducting the “free air” check, I placed the Package in a room with multiple similar and like packages. As set forth in the attached affidavit of Officer Stewart, “Weston” alerted positively for the presence or odor of a narcotic or other controlled substance on the Package. “Weston” is a properly trained and certified narcotics-detection canine.

7. Based on my prior law enforcement training and experience as a United States Postal Inspector, the Package’s address information, including (i) no known association between the sender and return address, (ii) no known association between the addressee and recipient address, and (iii) the positive alert of the narcotics-detection canine are all indicative of and consistent with Drugs and/or Proceeds in the Package.

Therefore, a search warrant to open the Package is requested to search it for controlled substances, materials and documents reflecting the distribution of controlled substances through the U.S. Mails, including money and/or monetary instruments to pay for controlled substances, as these materials would constitute evidence or fruits of a violation of 21 USC s. 841(a)(1) (distribution of controlled substances), 21 USC s. 843(b) (use of a communication facility to facilitate a felony drug offense) and 21 USC s. 846 (conspiracy to distribute controlled substances).

Further, your affiant sayeth naught.

Respectfully submitted,
